JOHN CROWE, under penalty of perjury, declares that:

1. I am the Technical Supervisor/Estimator of Rolex Watch U.S.A., Inc. ("Rolex"), 665 Fifth Avenue, New York, New York. I am a certified watchmaker and have been employed by Rolex for approximately 21 years.

2. On or about January 23, 2012, I examined one (1) Rolex watch received from Gibney, Anthony & Flaherty, LLP. I was informed that the watches were purchased by Rolex's agent from the herein Defendants.

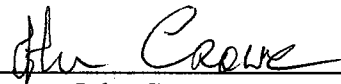

3. After careful examination, it is my opinion that the watches are not genuine Rolex product. The appearance of the watch are such, however, that a purchaser could very easily be misled by this product into thinking that he is buying a genuine product.

4. The watch bear several counterfeits and infringements of Rolex's federally registered trademarks.

5. The watch were not made by nor authorized by Rolex.

6. Wherefore, it is respectfully requested that Rolex's request for a temporary restraining order be granted.
